ING CORAL REEF

An educational poster titled "ING CORAL REEF" is mounted on the left wall. It features several illustrations of coral reef organisms, including various species of fish and coral structures. The text on the poster is partially obscured but appears to be informative about the reef ecosystem.

PROBLEMS?

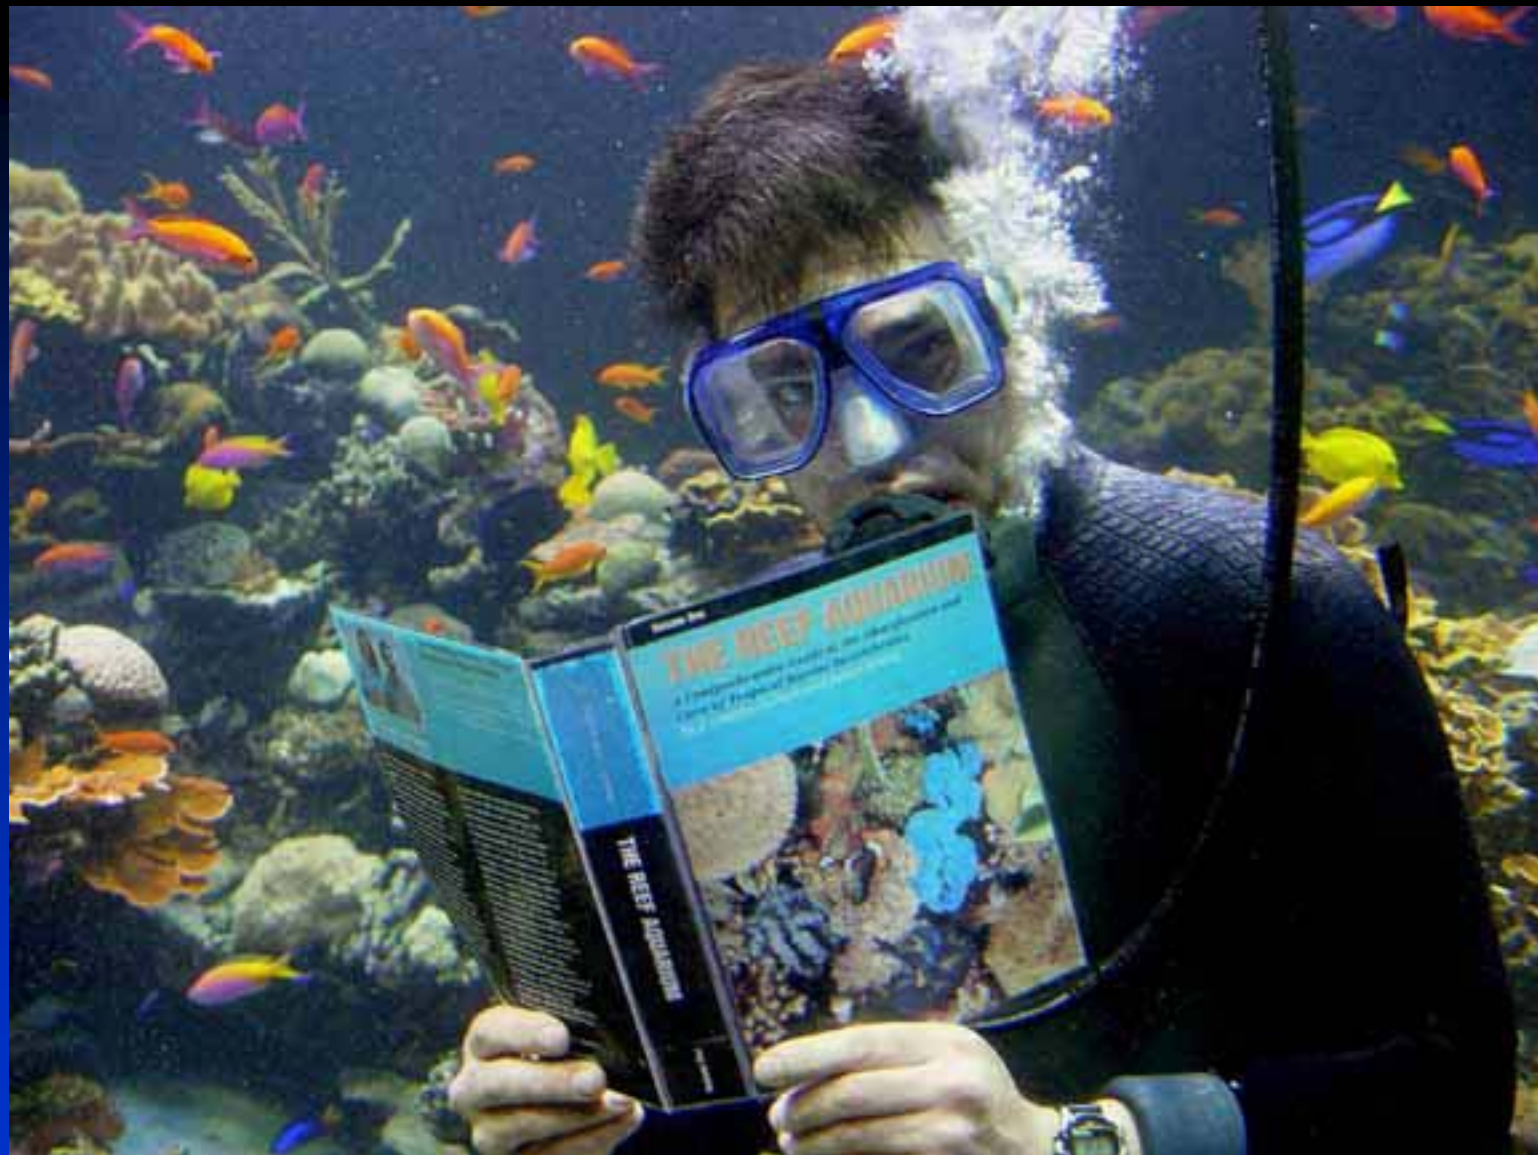

NOT A ONE.

**IT HAS ALL WORKED
PERFECTLY FROM
THE DAY ONE...**

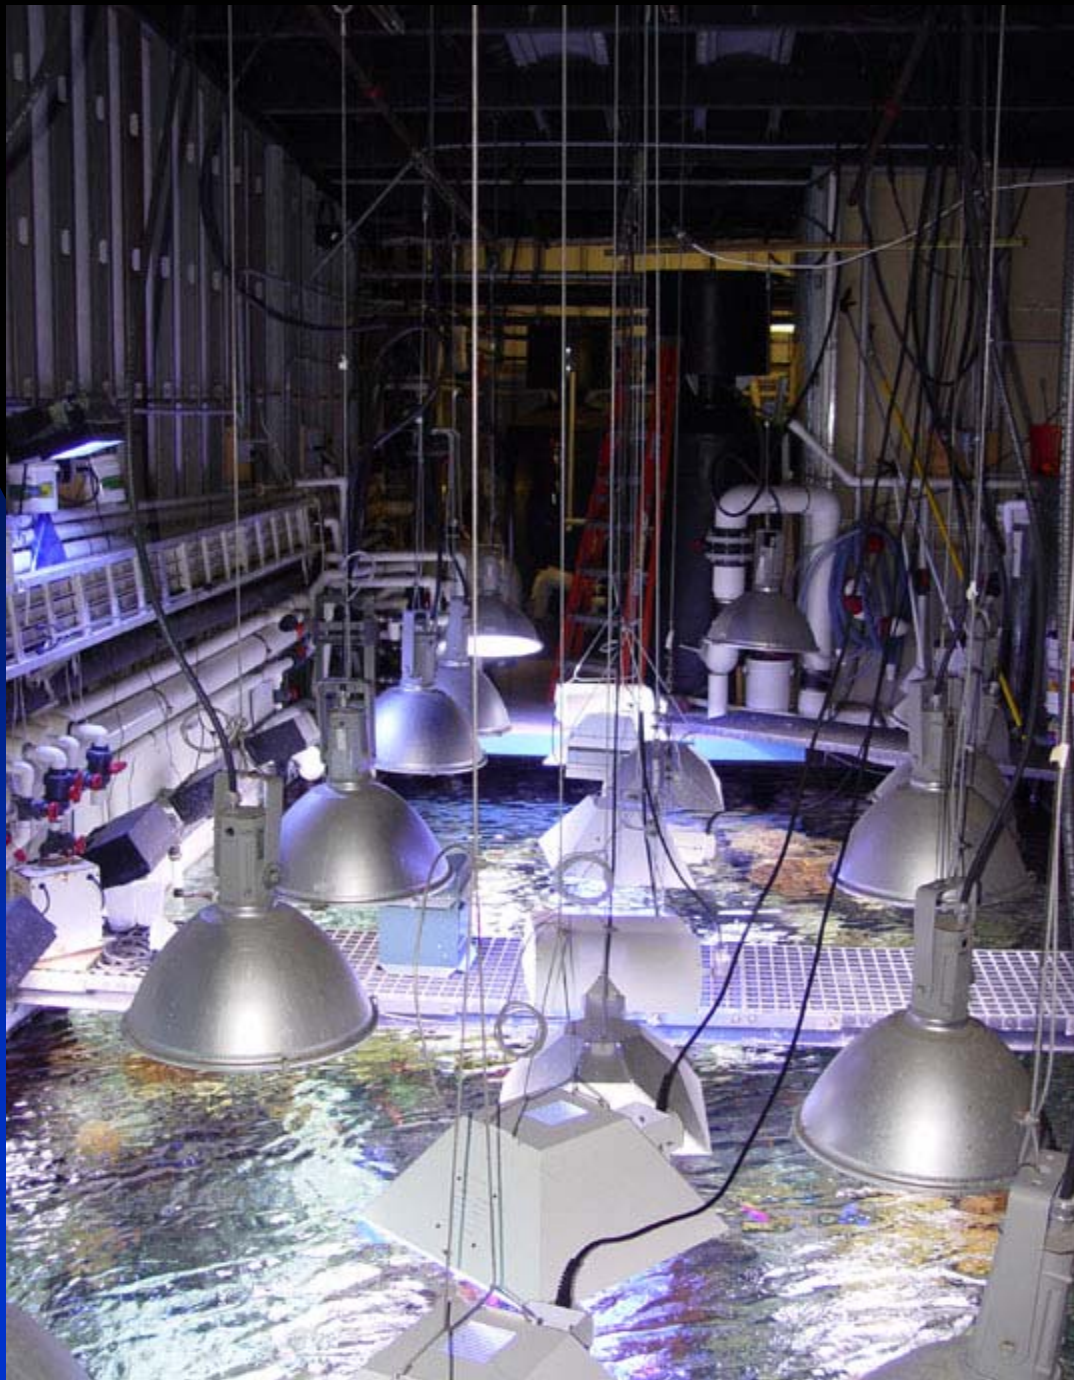

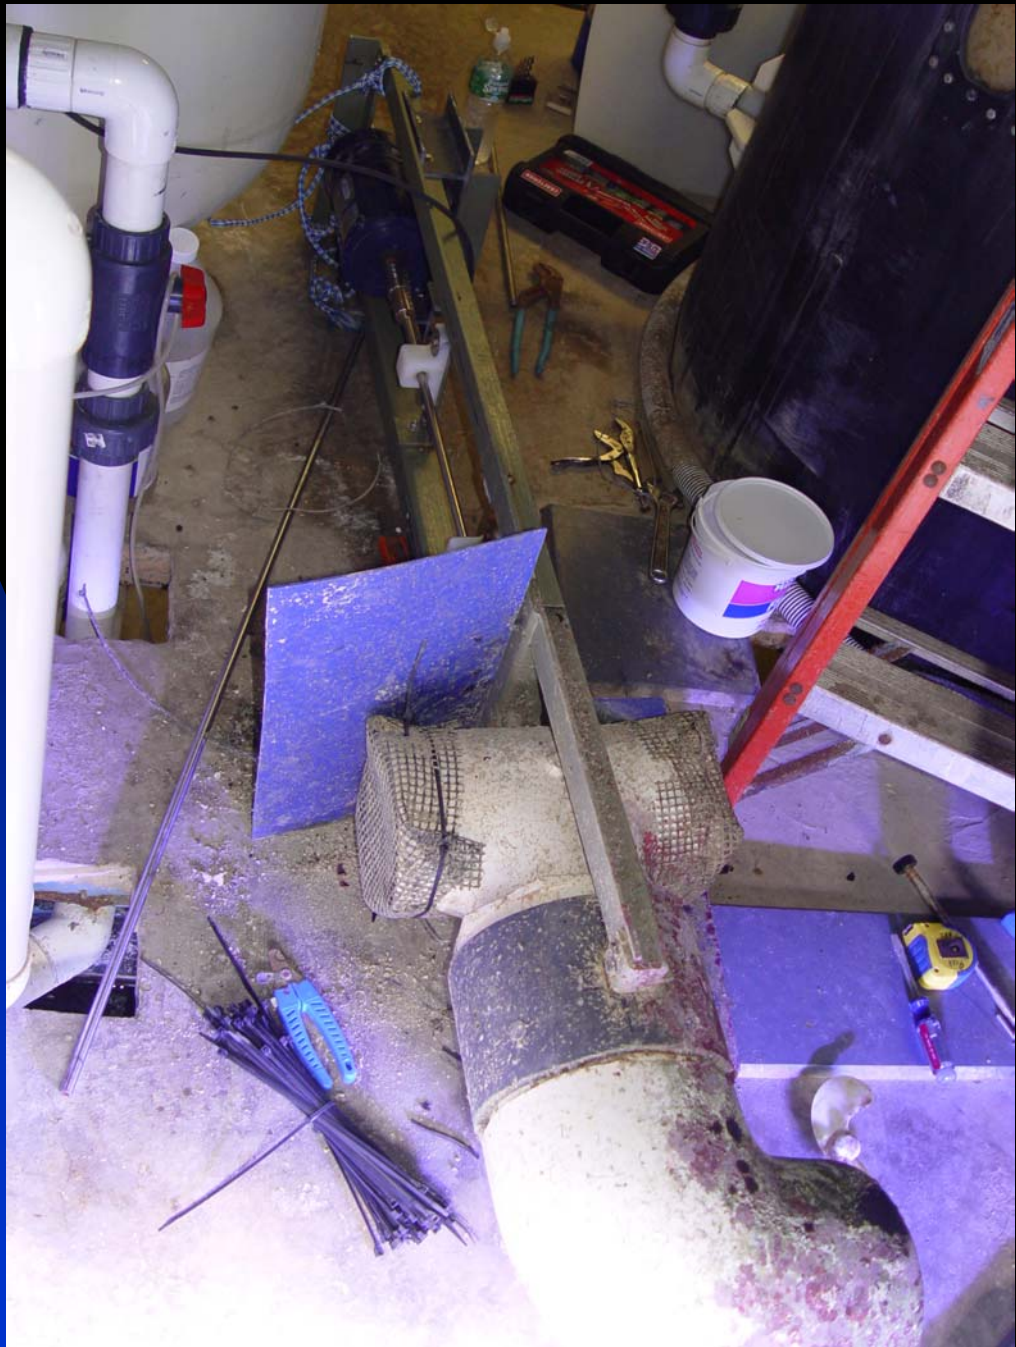

Calcium reactors (6" diameter x 5' tall)

We do all the hard work for the children...
